

SURVEY MARKER LIST IN ORDER OF DONOR

*This spreadsheet shows survey marker location **in the order by donor name**. There are 9 sections of benches on the north side of the museum separated by expansion joints. Section 1 (S1) is nearest the museum's front door. Section 9 is nearest Highway 101. So if a marker is listed at location at S2-09, it is in the second section, the ninth one from the left.*
