Limited Tickets Available for “Women, Wealth and Wisdom”
Celebrating Women’s History Month

Tickets are now available for the 3rd Annual Women’s History Month event and luncheon, to be held Monday, March 4, 9:30 a.m. – 1:30 p.m. at the Coos History Museum on the Coos Bay waterfront. Early advance ticket purchase at the museum front desk is strongly recommended, as the event sells out rapidly each year.

State Representative Caddy McKeown will open and conclude presentations by speakers on the theme of “Women, Wealth and Wisdom.” Topics include national trends toward lifelong learning, implications of new federal tax law, estate and gift planning, and strategies for effective philanthropy. An informal question and answer session with the panel will follow. Attendees are most welcome to visit the museum’s exhibit galleries and store at the close of the luncheon.

The Coos History Museum is operated by the state’s second-oldest historical society, a 501(c)(3) nonprofit organization. Sited to highlight the local significance of river, bay and ocean access, the museum promotes residents’ and visitors’ awareness and appreciation of South Coast history and cultures through educational services, programs and exhibits. The museum is not financially affiliated with any taxing district; all services, staff, and maintenance are made possible by generous donations and legacy gifts, and earnings from memberships, admissions, event fees, sales at the museum store, and rental income. The Coos History Museum is open Tuesday through Sunday, from 10am to 5pm, with additional evening hours on the First Tuesdays of February to June.
